The Heritage Trees & Buildings on the Riverview Lands

The Heritage Trees at Riverview Hospital form an irreplaceable asset for the people of BC, complementing the Metro Vancouver Park at Colony Farm, as a regional green space for Greater Vancouver.

Preservation of the site will enhance the quality of life in the Tri-City areas, & beyond.

Join us for one of our guided walking tours. Experience the legacy of BC's first Botanical Garden; a treasure trove of trees from the temperate world, some planted a century ago, allowed to grow to their full potential.

Our walks begin at the front door of the Henry Esson Young Building. Follow Holly Drive, turn uphill onto Oak Crescent then right onto Kalmia.

We go rain or shine.
